

~ *Ridgedale Lady Beryl* ~

In April of 1966 Willis Conard Sr. and Wayne Sliker traveled to New York, visiting herds in hopes of buying some cattle privately to enhance their herds. Wayne was particularly seeking young Marquis daughters.

The men arrived at herd in the southern tier of New York owned by a Mr. Schenck. Willis purchased two sisters from Mr. Schenck; one by Sears and the other by Clyde Hills Master King Fobes.

The King Fobes was mated to our own Ridgedale Royal Worthy Master, an EX nominated All-American Royal Master son from an EX Grayview Skyliner. This mating produced Ridgedale WM Belle VG-88 [3621D 209,580 3.5% 7,369 Lifetime]. Belle went on to give us two EX daughters, one by Triple Threat and the other by Tara Hills Lucky John [a Tara Hills Fond Ivanhoe son of Johns Lucky Barb EX-97].

The Lucky John daughter produced Ridgedale Lucky Belle. Lucky Belle had a daughter that went on to be named Reserve All-American and All-Canadian Fall Heifer Calf in 1988. This All-American/Canadian is a maternal sister to Ridgedale Lady Beryl.

Ridgedale Brynn [EX-94] by Stardust is Lady Beryl's only daughter. This family is noted for extreme longevity with high lifetime production and excellent, sturdy mammary systems.
