

# ~ *Hanoverhill Star Marq I* ~

Hanover Hill Star Marq I came to Ridgedale after the 1989 Hanover Hill Sale, via the 1990 partnership with Mr. Heffering. The cow went on to score EX-95 here and was also named Reserve All-American 5-Year Old.

Marq I left five daughters at Ridgedale. Four of those five daughters scored EX [by Thor, Horace, and Wister] while one scored VG-87 [by Blackstar]. The Marq I's in this sale will trace to the EX Hanoverhill Margo with 200,000# lifetime and EX Hanoverhill Thor Marq with 188,000# lifetime.

When Mr. Heffering bought Star Marq I's 3rd dam, she arrived in transit at a NYS Show for delivery to Hanover Hill. Wayne recalls that this big-framed Marquis from Sleepy Hollow in California would no doubt, breed on with prepotency in the years to come. She hails from the great Pappoose family at Sleepy Hollow with a Skokie foundation.
