

~ *Ridgedale Citation Feather* ~

The Feathers came to Ridgedale by way of long-time friends and cattle haulers, Loren and Ruth Guernsey of Schoharie, NY. When the Guernseys disbursed their herd in about 1973, the Conards purchased Farmgrove Marquis Kay for \$2,000.00.

Kay was sired by a Marquis son from a Burgoff daughter. Kay was carrying a heifer calf by Indian Hills Senator Flame. The Flame was mated to Marquis Ned [another Marquis son] and went on to become an EX GMD cow.

The Marquis Ned was mated to Wileeda Citation R to produce Ridgedale Citation Feather EX-95. Feather went on to be named the Grand Champion of the 1988 NYS Fair and has produced a bounty of high-type offspring, many of which are found among the following pedigrees.
